Why Fantastic Services?

What makes our services fantastic is the shared vision of the company founders to combine the latest technology with a commitment to service, where quality comes first.

How does this happen?

- ✓ We listen carefully to your needs and provide an estimate right away.
- ✓ We leave nothing to chance. All our professional equipment and supplies are provided by recognised companies like Prochem, Karcher, Alliance UK, WorkWear, Gayways, Stihl, and many more.
- ✓ Each service is done to a fantastic standard! From the spot treatment and hot-water extraction method for carpet cleaning, dip-tank method for oven cleaning, high reach water-fed poles with purified water for window cleaning to the fully equipped vans for our man & van service.
- ✓ We send dedicated professionals who pay attention to detail and take extra special care. We always have the environment in mind while we work.
- ✓ We listen carefully to your feedback and take on board your suggestions.
- ✓ We always go the extra mile! And strive to prove we are called Fantastic for a reason.

- ✓ No minimum contract
- ✓ 7 day service availability
- ✓ You'll have the same fully insured cleaner every time
- ✓ Get us to bring high quality products, or to use your own

Prices starting from **£12 an hour**

TOP TIPS

- ✓ **Easy microwave cleaning** - microwave a bowl of water for 2-3 minutes to loosen dried food.
- ✓ **Little accidents** - make a paste of baking soda and water, spread generously on urine, and then vacuum away in the morning!

Oven Cleaning

We use the latest dip tank technology to clean your cooker. This means it gets inspected and then carefully disassembled, each part being treated individually. After gently soaking in eco-friendly cleaning solution and polishing, your oven is reassembled and tested. Hassle free. No fuss. **Just reduced electricity bills and tastier food for you.**

Sick of the hard work of oven cleaning? We offer seven day-a-week services, as perfect for the stoves in a busy commercial kitchen as they are for the oven in your own home.

What makes this service fantastic?

- ✓ You can use your oven right after it's been cleaned
- ✓ We don't make any mess - in fact we will leave your kitchen tidier than when we started!
- ✓ Suitable for all makes and models of appliance
- ✓ Fully insured and guaranteed service

Prices starting from **£49**

TOP TIPS

- ✓ **Keeping your oven clean** - is easy! Try laying down a sheet of aluminium foil in the bottom. Replace when it gets dirty.
- ✓ **A smoky oven** - means it's past time for cleaning. Would you cook food in a dirty saucepan? Don't risk a dirty oven.

Window Cleaning

We will send you an experienced and courteous expert armed with the most effective modern window cleaning equipment. Our water-fed extension poles mean you keep your privacy while your cleaning is under way. And there is no dirty soapy run-off with this service either. We use the natural power of purified water to clean your glass.

What makes this service fantastic?

- ✓ No time limit - we stay until we are finished
- ✓ Fully insured service from a trained and friendly professional
- ✓ Safe cleaning conducted quick from the ground - you keep your privacy
- ✓ Same-day and emergency service available
- ✓ Service available 7 days a week
- ✓ High-end equipment

Prices starting from **£37**

TOP TIPS

- ✓ **Know where the streaks are coming from** - if you're doing it yourself, wash windows on the inside from side to side, and wash up and down outside. That way if you get streaks you will know what side they are on!
- ✓ **Clean when the sun's not out** - direct sunlight can dry the soap you are using onto your glass, causing streaks.
